The image shows a rectangular sign with a dark grey border and a light grey background. The sign features the name 'Bagwe's' in a large, white, cursive font, with the number '906' in a smaller, white, sans-serif font below it. Two white, stylized floral flourishes are positioned on the sign: one in the top right corner and one in the bottom left corner. The sign is placed on a wooden surface. In the background, there is a cluttered workspace with a computer keyboard, a mouse, and various boxes and papers. A white box on the left has some text and a barcode, including the words 'BR', 'BELL', and 'BELL'. A red object, possibly a stapler, is visible in the lower left. A white electrical panel with a red emergency stop button is on the right.
